Enrichment is offered to grades 3rd through 5th from 2:45 to 3:45. There are 6 Cycles of 6 week classes. The focus is to enhance students' learning through hands on activities and self-selection of classes. The programs complement classroom lessons by implementing strategies involving math, reading, science, languages, Arts and history.

Classes offered:

Math Fun, Multiplication,
Science, Nature's Art, Pet
Adoption, Guitars, Arts of
Mine, Theater & Storytelling
Creative Drama
Spanish Storytelling
Math Fun- Super Market,
Sewing, Tap Dance
Connecticut College, World
Games, Cooking and
Gardening, Mystic Seaport-

Fun: Different tactics of Learning/ hands on activities

Learning: Sharing what we see, feel, hear, and touch

Self Chose: Give support, tools, and strategies to become Independent

Through Enrichment we encourage our teachers and Community Partners to be creative and to provide students with enriched educational experiences that build moral, values, desire to learn and life skills. Lessons are interactive and community partners use a variety of strategies to motivate students about learning.

Bridges, Scrapbooking,
Cultural Dances
